How You Can Change Children's Lives

with your 2019 sponsorship

A Promise For Every Child.

At Nemours, a non-profit pediatric health system, we want all children to receive the specialty health care they need, regardless of their financial circumstances. The majority of Nemours Children's Specialty Care patients are Medicaid eligible, and of the remaining percentage, many still struggle to pay their medical bills.

Because the number of children needing support continues to grow at an alarming rate, we need your help.

That's why all funds raised during the Nemours Costume Ball will support the **Promise for Every Child** initiative. You can help ease the financial burden of patient families so that all children have the very best chance of a healthy future.

Kids aren't part of what we do...it's all we do.
